## TEXT OF MANIFESTO GRANTED BY CZAR

### Amnesty is Granted Political Prisoners in Empire.

#### SITUATION AT ODESSA IS BETTER

#### There is Considerable Signs of Distrust Among the People of Some Parts of Empire, but the Situation as a Whole Is Decidedly Improved.

St. Petersburg, Nov. 6.—The text of the imperial manifesto granting amnesty to prisoners, signed by Emperor Nicholas yesterday, declares that by virtue of the intention expressed in the manifesto of Oct. 30th, to accord the population inviolable principles of civil liberty, free pardon is granted to political criminals of various categories, which are enumerated and also to participators in strikes and those responsible for breaking contracts.

The pardon extends to those now in prison and to those not yet tried or on whom sentence has not been pronounced. Persons convicted of crimes committed over ten years ago are to be released, and will be sent to Siberian colonies. Those who are now colonists there will be allowed after four years, to choose their place of residence, but are prohibited from living in the capitals, St. Petersburg and Moscow, for three years.

Convicts not falling under these categories have their sentences reduced one-half and persons condemned to imprisonment for life have their sentences reduced to 15 years' imprisonment. The pardon extends to all prisoners who benefitted by previous manifestos.

Persons arrested by imperial or administration order are released. Those condemned to death or liable there to have the penalty commuted to 15 years' imprisonment at hard labor. The amnesty decree includes political offenses committed up to Oct. 30.

#### Finland Has Won Her Freedom.

London, Nov. 6—The second edition of the London Times today, which appears about 1 p. m. published the following dispatch from St. Petersburg dated Nov. 2:

Finland has won her freedom. A manifesto embodying all the demands presented by the popular delegates at Helsingfors to Prince John Obolensky, the governor general, will be submitted by Secretary of State Luider for the imperial signature at Peterhoff tonight.

The keystone of the new Finnish constitution is the responsibility of not of the monarch, as hitherto, but of the secretary of state and the diet.

The presence of Russian warships off Helsingfors is intended to signify that although the emperor grant constitutional freedom he intends to prevent the severance of the grand duchy from the empire.

#### Odessa is Getting Quiet.

Odessa, Nov. 6.—The pillaging has largely stopped, thanks to the intervention of the troops, and the local militia formed largely of students, but the streets are cleared of all except military officers and Sisters of Charity. The city presents the aspect of a military camp. The student militia is pursuing the rioters who are defending themselves with revolvers.

#### Encounters Continue at Tomsk.

Tomsk, Siberia, Nov. 6.—There were continued encounters here today between the loyalists and a crowd of Socialists, who were entrenched behind the railway track. The besiegers succeeded in setting fire to the railway buildings. There were many casualties. A battalion of troops was summoned to restore order. During the day the theater was pillaged.

#### Reports Received at Paris.

Paris, Nov. 6.—Foreign office reports received here from Russia show that Riga and Odessa are now the centers of disorder, that St. Petersburg and Moscow are quiet, and that Finland has practically established an autonomous form of government without the Russian government adopting repressive measures.

#### Home Militia Restores Order.

Kazan, Russia, Nov. 6.—At the request of the town council the governor has disarmed the local police and has sent the troops and Cossacks out of the town. Order has been restored by the hastily formed militia.

#### Numbers Killed at Batum.

Batum, Trans-Caucasia, Nov. 6.—There was an encounter between the troops and manifestants here today. A number were killed or wounded on both sides.

### EXTENSIVE PURCHASES MADE.

#### Panama Canal Commission Getting Busy Buying Materials.

Washington, Nov. 6.—The extensive purchases by the isthmian canal commission have been completed for the present, as the requisitions for material are constantly being received. These are for small lots of miscellaneous supplies. The commission has purchased or ordered 646,000 pounds of blasting powder and 617,500 pounds of dynamite, which is to be used in rocks in the line of the canal that must be removed. Thirty million feet of lumber has been purchased, about 30,000,000 coming from the Pacific coast. The paving of the city of Panama has required the purchase of seven million paving brick, while 3,500,000 brick are to be used in the construction of buildings and quarters for the workmen. Besides the engines used by the Panama railroad, 120 locomotives have been bought for excavation work.

The medical supplies of the canal zone are purchased through the office of the surgeon general of the army. They include among other things guinea pigs and white mice which are used for experimental purposes; also wooden legs of assorted sizes. Orders are filled for bibles and placards among others in the great variety of articles purchased for the canal.

#### Nineteen Injured in Wreck.

Obispo, Cal., Nov. 6.—The Southern Pacific, southbound coast line limited train dashed into a train of tourist cars at Santa Margarita station, 14 miles north of this city yesterday. The tourist train was standing on the main line in the yard at Santa Margarita when the limited dashed into the rear end, plowing its way through one of the cars. Nineteen persons were injured, several of them seriously, and two of them probably fatally. Elsie Blackman, a girl of nine years, was pinned down in the wreckage. Her right arm was twisted out of shape and the bones were crushed. She also received internal injuries, which may prove fatal. Mrs. M. B. Martin, of Ottumwa, Iowa, is also in a condition considered serious.

#### Morgan Forms German Alliance.

New York, Nov., 6.—J. P. Morgan & Co., and the Dresden Bank, one of the largest banking institutions in Germany, have entered into an agreement of co-operation, it is announced, yesterday in the international financial transactions. The alliance between the American bankers and the German institution covers not only the flotation of American securities in Germany, but the flotation of foreign securities in this market as well. This alliance is the first of the kind between a German financial institution and a strictly American banking house.

#### Monuments to Mississippi Veterans.

Jackson, Miss., Nov. 6.—General Stephen D. Lee, members of the Vicksburg National Military park commission who was in the city attending the session of the Mississippi history commission, of which he is chairman states that he has arranged to have a bill introduced during the first week of the approaching session of the legislature carrying an appropriation of $100,000 to be used in erecting monuments to the Mississippi troops who fell during the historic siege of Vicksburg.

#### Governor Folk Speaks in Ohio.

Cleveland, O., Nov. 6.—The Central armory, with a seating capacity of about 5,000 was completely filled with an enthusiastic audience which gathered to hear a political address given by Joseph W. Folk, of Missouri, in support of the state Democratic ticket. He was introduced by Mayor Johnson.

## AWFUL DEED OF A MINNESOTA WOMAN

### Shoots Four Children and Then Attempts Suicide.

#### CHILDREN INSTANTLY KILLED

#### One of the Victims Died at the Hospital While the Other and the Perpetrator of the Deed Cannot Live. Had Quarreled with Husband.

Minneapolis, Nov. 6.—Mrs. James Brennan, of Minneapolis, quarreled with her husband last evening and after he had gone to work attempted to kill his four children and herself. She shot and killed two of the children and wounded the other two so that neither of them is expected to recover. She then turned the revolver on herself and received a bullet in the left breast, which, it is believed, will result in death. Mrs. Brannan is the second wife of Mr. Brannan, and is the stepmother of the children.

She and her husband have frequently had trouble about the children. The shooting occurred about 1:30 a. m. The dead are:

Lizzie aged 15, shot through the temple.

Alice, aged 8, shot back of right ear.

The boys Thomas, aged 13 years and, Arthur aged 11 years, were shot in the head.

They and their stepmother were taken to the city hospital where Arthur died this morning. Appearances indicated that the boys had struggled desperately to avoid the fate of their sisters.

### HELD UNDER $20,000 BOND.

#### Physician in Dress Suit Case Mystery Is Held by Court.

Boston, Nov. 6.—Dr. Percy D. McLeod, who was arrested yesterday in connection with the death of Susanna Geary, the chorus girl, whose dismembered body minus the head was found in two suit cases floating in Winthrop harbor, was presented in municipal court today and he was ordered to furnish bonds in $20,000 for a further appearance.

There was no hearing. Dr. McLeod's counsel after a conference with the district attorney arranged for a continuance of the case.

Bondsmen were not at hand, but the prisoner's counsel intimated that they would appear during the day.

The police today are looking for other persons who acted as attendants when the operations were performed upon the chorus girl. These include the persons with whom Miss Geary negotiated when she first visited the Tremont street hospital, the person who performed the illegitimate operation and the women attendants.

#### Knights of Pythias Sell Property.

Richmond, Ind., Nov. 6.—Hotel Lexington, Chicago, the property of the Endowment Rank of the Knights of Pythias has been sold for $600,000, giving that rank of the order a surplus of $1,500,000, the announcement of the sale having been made here today by Charles E. Shively supreme chancellor of the Knights of Pythias. An effort will now be made to dispose of the property of the order located at Wilmington, Del.

#### Chicagoans Visit the South.

Chicago, Nov. 6.—The Chicago Commercial association has decided to cultivate closer relations with the south. The organization is composed of merchants, manufacturers and bankers. A committee of 15, made up of representatives in the different lines of business, will go south on November 1 and visit a number of prominent cities in Kentucky, Tennessee, Georgia and Alabama.

#### Miners' Wages Advanced.

Birmingham, Ala. Nov. 6.—The announcement was made that the wages of union miners in this state would be advanced 2— cents per ton, the average selling price of iron warranting this increase. The maximum wage of 87½ cents a ton will be paid the coal miners from now on.

### REPUBLICANS WILL LOSE.

#### Reformers Claim They Will Elect Officers in Philadelphia.

Philadelphia, Nov. 6.—After one of the most active political campaigns this city has experienced in years leaders of the city party, the reform body, organized to defeat the Republican organization, declare they are certain of victory at next Tuesday's election.

More than 450 mass meetings have been held during the past five weeks under the auspices of the city party and the leaders say they have been productive of much good to the new party.

An out-door meeting was held today in which officers of the city and the reform candidates made addresses.

Tonight Mayor Weaver will address several ward meetings. The campaign conducted by the Republican organ has been quiet, but its leaders claim it has been more effective than that of the reform element.

Mayor Weaver today estimated the city party majority at 100,000. Speaking of the campaign, William T. Tilden, chairman of the campaign committee, said:

"Our battle has been the battle of the tax payers against the thug, the honest man against the grafter, the vice hater against the vice protector. John Weaver's manly stand for people opened and has kept open the way for them to fight their battle. They have done so manfully, and predict an overwhelming majority for reform throughout the city and in the treasury office in the state."

#### Nine Hurt in Trolley Wreck.

Knoxville, Nov. 6.—A work car loaded with macadam and screening collided with an incoming suburban electric car on West Main avenue, opposite the university of Tennessee's campus. Nine persons were injured, one of whom, James Varnell the motorman of the electric car, is thought to be fatally hurt. The scene of the accident was at the bottom of two hills, the colliding cars having come down the grades. It is claimed the brakes on the rock far failed to work, causing it to become unmanageable and it rushed down the hill until it struck the approaching passenger car, which was coming down the west hill from West Knoxville, fashionable residence residence section of the city. The street car employes did everything possible to avoid the accident.

#### Florida Negro Hanged.

Tallahassee, Fla., Nov. 6.—Isham G penalty for the murder of N. W. Eppes, at the county jail here. About 150 persons were admitted to the jail to witness the execution. Probably 5,000 persons gathered in the neighborhood. Edwards made a confession on the scaffold, stating that Caldwell and Larkins had nothing to do with the crime; that he alone was responsible. He warned all to avoid evil companions and meet him in heaven. He was attended by Father Hugon a Catholic priest. The trap was sprung at 12:44 p. m. The knot slipped. A feeble pulse was perceptible for 12 minutes. No unusual feature attended the execution.

#### Brakeman Killed in Wreck.

Dallas, Tex., Nov. 6.—A wreck occurred on the Houston and Texas Central railroad near Ennis. Brakeman Glean was killed outright and Engineer Davenport and Fireman Trailer were probably fatally injured. A passenger train, running at a moderate speed, was derailed by an explosion of the engine. Seven coaches left the track and the violence of the explosion was so great that the road bed was torn up for several hundred yards. None of the passengers were seriously injured.

#### Fire Causes Panic Among Girls.

New York, Nov. 6.—Two hundred girls and fifty men at work in Frederick Neff's box factory at King and Greenwich streets, were thrown into a panic by a fire which completely destroyed the building. So quickly did the flames spread that less than 50 of the young women had time to get out by the stairs. The rest were rescued by firemen who carried them down ladders to the street. All escaped unhurt. The total damage was estimated at $140,000.

## KENTUCKY TOWN IS UNDER MARTIAL LAW

### Gang of Outlaws Cause Trouble in Bluegrass State.

#### LOCAL MILITIA IS CALLED OUT

#### Authorities Have Been Defied by Bell and His Followers for Some Time. Wanted for Murder—Business of the Town is Paralyzed.

Louisville, Ky., Nov. 6.—A special from Middlesborough, Ky., to the Evening Post says:

After a night of supense the town is quiet this morning.

The local company of the state militia which was called out late last night, remains on duty. The alarm was occasioned by the appearance of a mob of alleged outlaws, said to be headed by Frank Bell, wanted on a charge of murdering John Bolan, a barber.

The authorities have been defied by Bell and his followers for about two weeks.

A reign of terror exists, a number of men have been held up in the streets and business is paralyzed.

Governor Beckham has promised the local authorities every assistance. In addition to the military vigilance a committee of 100 has been formed.

Thursday night some men attacked Bob Bryson, the night railroad watchman and in the fight he was shot. He is in a critical condition.

#### FEVER SITUATION SATISFACTORY

#### No Immediate Signs of Cold Wave in the Stricken Section.

New Orleans, Nov. 6.—Though the weather continues warm and showery and there are no immediate signs of a cold wave, the fever situation continues so steadily to improve that the quarantines are collapsing with little effort on the part of the authorities here, the only exceptions of consequence being Texas and the southern half of Alabama.

As health conditions on the Mississippi coast have been found so good, favorable action by Alabama is expected within a few days.

The fever cases under treatment have now dropped to 15, and one of the most cheering features of the situation is that the few new cases that have recently appeared, have been in old foci. There are no fresh danger spots to be watched.

Two new cases are reported at the town of Grand Isle, and Dr. Brady has called the suspicious cases at Delhidder, in Caleasieu parish, yellow fever.

Up to noon today there were no new cases of yellow fever and no deaths reported.

### TO BUILD ALASKAN RAILWAY.

#### Will Traverse Entire Country and Will Cost $40,0000,000.

Los Angeles, Cal., Nov. 6.—The Express says that Alaska will have a railway its entire length from north to south and giving communication with the outside world if plans which are being formulated in this city are carried out.

Harry White, former mayor of Seattle, is at the head of the enterprise, which includes an application to congress during the coming session for a government subsidy. The idea is outlined for the government to guarantee bonds of the proposed company, which is to be organized for the purpose, the promoters using the credit thus obtained to raise the funds for building the line. It is said that Senator Samuel W. Piles, of Washington, will father the scheme in congress.

If successful the enterprise will involve the expenditure of about $40,000,000. The road will be nearly 5,000 miles in length.

#### Only Four Ships Provisioned.

Seattle, Wash., Nov. 6.—A dispatch to the Post-Intelligencer from Nome, Alaska, says that the whaling fleet is frozen in near the mouth of the Mackenzie river. Of the 12 vessels only about four are provisioned for the winter.

# CONSTABLE ZETROUER STRUCK BIG THING

### Arrested Prisoner For Whom Was Offered $150 Reward.

### THE CAPTURE WAS EASY

Knew Negro by Description, Found Him on Railroad Train, Advanced and Called Him by Name—A Clever Piece of Work Which Ended Well.

To Constable Arch Zetrouer of Rochelle belongs the credit of apprehending and arresting one of the most notorious criminals known to the Georgia authorities in recent years, with the exception of the Rawlings of Valdosta.

Constable Zetrouer, who is always on the alert in his official capacity, received a circular a few days ago instructing him to watch out for Tom Kelley, wanted in Camden county, Ga., upon a charge of whipping his child, a small boy, so severely until he died. The charge was murder, and the authorities of Camden county were so wrought up over the matter that a reward of $100 was offered by the State and $50 cash by indignant citizens of the community.

Upon entering the train Saturday Constable Zetrouer saw the man described by the circular, and recognized him at once. He was cautious, however, as he realized that it would not be prudent to work the scheme in a reckless manner. After a moment's hesitation, when he had collected his thoughts and remembered the name, he approached his man.

"Hello, Kelley; what are you doing away down here?" remarked the officer.

"Boss, you sho' is right 'bout de name, but I doan' b'lieve I quite knows yer," replied the negro.

"You don't know me?" said the constable. "Why, that is strange. Don't you remember me up in Camden county, when I used to bring watermelons to town?"

"I sho' do now," replied the darkey, with a chuckle, but about that time Constable Zetrouer clasped a pair of handcuffs on the man and took him into custody.

The authorities of Camden county were notified, and Monday Deputy Sheriff Bailey arrived and took charge of the prisoner, paying the $50 reward. In the event that Kelley is convicted he will receive also the $100 offered by the State.

## REAL ESTATE IS LIVELY.

### Manager Voyle of Alachua Abstract Co. Enjoying Fine Business

"You may say that real estate is lively," remarked Manager E. E. Voyle of the Abstract and Realty Company to a reporter Monday, when asked about the state of the market. "The demand is really not impulsive, but is good and steady, and if a fellow has a piece of land and wants to sell he had better not offer an extra close price if he does not want to sell, for he will find a buyer mighty quick. There is plenty of money laying idle for purchase of land, and desirable real estate may be sold immediately upon placing the property on the market."

Mr. Voyle states that desirable houses are in demand at good rental rates. "It is almost impossible, with the influx of people to Gainesville, to secure a desirable house at any figure," he said, "and the fellow who gets a decent house at anywhere near a reasonable price is in big luck."

## A LAND FRAUD.

### H Mulligan Deceiving People as to Location of Property.

A few days ago O. B. Bailey received a letter from a party in the East making inquiry as to the value of lots 100x100 in North Gainesville, saying that one H. Mulligan of 50 N. 13th St., Philadelphia, was offering such lots, purporting to be located in North Gainesville, for $5 each. Of course Mr. Bailey promptly wrote the party that no land could be bought in Gainesville's thriving suburb for any such price.

The editor of The Sun investigated the matter and found that Mulligan had caused to be recorded a plat of lots purporting to be in North Gainesville, whereas the property is six miles north of that place, comprising five hundred acres commonly known as the "flat woods," being almost incessantly covered with water.

The scheme is a gigantic swindle, and the perpetrator should be dealt with to the full extent of the law.

# MR. W. M. JOHNSON

### Tells Why He Endorses Vinol So Highly.

First. Vinol contains in a concentrated form all of the medicinal curative elements of cod liver oil, actually taken from fresh cods' livers, but without a drop of oil to nauseate and upset the stomach and retard its work, therefore where old-fashioned cod liver oil or emulsions will do good Vinol will do far more good.

Second. Because Vinol is not a patent or secret medicine; it contains no injurious drugs to react upon the system, and you know just what you are taking, as everything it contains is printed on the back label of every bottle.

Third. Because Vinol acts first upon the stomach, creates a healthy appetite, tones up the digestive organs, purifies and enriches the blood, and in a natural manner health is restored and strength is created.

Fourth. Since we first put Vinol on the market our admiration for it has steadily increased, because it rarely disappoints a customer—in fact we can truthfully say we never sold a medicine more satisfactory to create strength for old people, weak, sickly women and children, nursing mothers, and to build up strength after a severe sickness.

Again Vinol is endorsed by eminent physicians and guaranteed by over two thousand of the leading druggists of this country. These are some of the reasons why we believe in Vinol. W. M. Johnson, Druggist.

## DEATH OF DR. BOUTON.

### An Old Odd Fellow and Knight Templar Passes Away.

Dr. George B. Bouton, aged upwards of 80 years, died at 8 p. m. yesterday at the Odd Fellows' Sanitarium in this city, after a short illness.

Dr. Bouton came here from Connecticut a few weeks ago, and was obliged to seek other quarters until the Sanitarium opened for guests November 1. He suffered a stroke of paralysis soon after, and was unconscious until the end came. Dr. Bouton had spent two winters here, and was confined to his room most of the time. He was a member of the Odd Fellows' Lodge at Westport, Conn., and was made a Knight Templar in New Haven, Conn., in 1852.

He was a man of considerable means, and among his papers on his person was an insurance policy in the New York Mutual Life and papers to show that he was the possessor of considerable wealth. His lodge has been notified of his death and as to what disposition will be made of the remains. It is not known where his relatives reside.

## FUNERAL OF MRS. YOUNG.

### Was Laid to Rest Sunday Afternoon. Many Friends Present.

The funeral of the late Mrs. Kate R. Young, the sad death of whom occurred in Savannah last Friday, was held from the First Presbyterian Church in this city at 3:45 o'clock Sunday afternoon, the interment being in Evergreen cemetery.

It was originally intended to hold services immediately after the arrival of the train from Savannah at 1:45 o'clock in the afternoon, but connection was not made at Rochelle, and the train was late.

The services were conducted by Rev. Thos. P. Hay, and were largely attended by friends of the deceased who had gathered to pay their last respects to their departed friend. A number accompanied the remains to the cemetery.

The floral decorations were numerous and fragrant. Deceased lived for many years in Gainesville, and her friends were desirous of expressing in this tender manner their affection.

To the bereaved relatives The Sun, with other friends, extends sympathy.

### Card of Thanks.

To the many friends who were so sympathetic in our late bereavment, we express our heartfelt thanks. Their deeds of kindness will ever be remembered.

The Commodore is suffering from stomach troubles, and since leaving here about eight months ago has been reduced in weight from about 160 to 107 pounds. He was due to arrive on November 1, but owing to his indisposition his trip has been indefinitely postponed. It is hoped he will be enabled to come in a short time.

# RHEUMATISM AN INSIDIOUS DISEASE. THAT BREAKS DOWN THE STRONGEST

Rheumatism does not come on in a day; the causes that produce it work silently in the system for years. This insidious disease becomes intrenched in the blood, and some exposure to cold or damp weather, or slight indiscretion brings on an attack. Poor digestion, stomach troubles, weak Kidneys, torpid Liver, and a general sluggish condition of the system are responsible for Rheumatism. Food souring in the stomach poisons the blood, the failure of the Kidneys and Liver to act properly leaves waste matter and impurities in the system, which, coming in contact with the natural acids of the body, form uric acid. This is absorbed by the blood, and as it penetrates to the muscles, nerves and bones produces the terrible pains and aches and other disagreeable symptoms of Rheumatism. Life is made a torture by its excruciating pains, nerves are shattered, the health undermined, and if the disease is not checked it breaks down the strongest constitution. It will not do to depend on plasters, liniments, etc.; such treatment is helpful in easing the pain and reducing the inflammation, but does not reach the blood where the real trouble is located. S. S. S. cures Rheumatism by purifying and invigorating the thin, acrid blood, driving out all impurities and poisons and sending a stream of strong, rich blood to wash out all irritating particles that are causing the pain and inflammation. S. S. S. stimulates the sluggish organs to better action, tones up the stomach and digestion, restores nervous energy and builds up the entire health. S. S. S. cures Rheumatism, whether acute or chronic, and the cure is thorough and lasting. Book on Rheumatism and any medical advice desired without charge.

# METHODISTS MUST QUIT THE THEATER

## Rev. T. J. Nixon Preached a Stirring Sermon Sunday Morning.

### GOT BEHIND HIS MEMBERS

**Said That No True Christian Would be Guilty of Going to a Show, and Admonished Not Only Methodists, but All Christians, to Desist.**

"You Methodists ought to be ashamed of yourselves," remarked, in substance, Rev. T. J. Nixon, pastor of Kavanaugh Methodist Church, Sunday morning from his pulpit, "for being guilty of attending a theater. Just think of it; a Christian, and especially a Methodist, being found in an amusement house of this kind. No good Christian, of any denomination whatever, should consent to attend a theater, and I blush for my good Christian friends who are guilty."

Mr. Nixon was evidently alluding to a number of his congregation who were regular attendants at the tent theater last week—and there were many of them, not only Methodists, but members of other churches, who swarmed around the tent as a bee swarms around a barrel of sugar.

Mr. Nixon laid down the laws of the Methodist Church about theater-going, after which he proceeded in a good-natured but determined way to tell his hearers how wrong it was to encourage such enterprises by patronizing them.

"A Word to the Wise Is Sufficient," remarked the preacher during his sermon, and this quotation was uttered with such emphasis that it appeared almost a threat of suspension from the church if Methodists were found guilty of such a breach of the laws of the church again.

While the sermon of Mr. Nixon was good, it was tinged with that air of dictation which seemed not to be appreciated by many who were present, as many of them had been "guilty" of attending a theater the week previous.

### WILL MOVE TODAY.

**Fair Exhibit From Alachua County Will be Transferred to Tampa.**

The exhibits from Alachua county which will go to show at the State Fair "what we are made of" will be packed by Manager Tench, and billed today for the South Florida City, and will be followed by Manager Tench, who will have everything in readiness for the opening of the Fair on the 15th inst.

Manager Tench states that he will have five carloads of diversified exhibits from this county, not including the live stock exhibit, which will require two or three cars more. The exhibit which Manager Tench has gotten together is one of the finest that could have been secured anywhere. It comprises agriculture, horticulture, manufacturing and mining, and is bound to attract attention at the great fair, where everything good for Florida will be displayed in the best possible manner.

"I have not really told the people through the press what we really have," remarked Major Tench, "for the reason that it would post the public, and I did not feel like posting the public only through our exhibit. I expect the people have been 'cussing' The Sun for not mentioning more about the Fair and the Alachua county exhibit, but I will take the blame, for I asked The Sun to 'keep mum.'"

Major Tench states that he proposes to make an exhibit at the Fair which will make a creditable showing for Alachua county and its people.

# "Finest on Earth"

**That is What a Former Sufferer Says of the Celebrated G. F. P. (Gerstle's Female Panacea.)**

Whenever a woman neglects what are apparently trifling female disorders, she is trifling with her health, and perhaps her life. Many who are ashamed to stand a physician's examinations allow their troubles to go from bad to worse until they are chronically afflicted. G. F. P. (Gerstle's Female Panacea) is a guaranteed cure for all such conditions, saving you the embarrassing ordeal, and the excessive expense of medical treatment. It is the only female remedy on the market guaranteed to benefit you, with a money-back guarantee. It cures all female irregularities, pains in the back and head, irregular menstruation, falling of the womb, whites, inflammation, etc. It has cured thousands, it is curing hundreds now, and will cure you. Try it once. You have everything to gain, nothing to lose.

Mrs. W. A. Charles of White Home, Tenn., says: "G. F. P. (Gerstle's Female Panacea) is beyond doubt THE FINEST FEMALE PREPARATION ON EARTH! I highly recommend it to all who suffer from the afflictions peculiar to women."

Sold under a money-back guarantee by all druggists in $1.00 bottles.

### AT THE OPERA HOUSE.

**Several Fine Attractions Have Been Secured for Season of 1905-6.**

The theatrical season will open late this year, but Manager Layton, of the opera house, has exercised a great deal of care in selecting a program which will be pleasing and enlightening to theater-goers of this city.

The season will open on the 16th inst., when Earl Ward Pearce will deliver one of his famous lectures. Mr. Pearce is regarded as one of the best and most impressive speakers on the American platform, and those who take advantage of this lecture are bound to be pleased and instructed on whatever subject he may select.

The following dates have been filled for the season:

Nov. 17th, Lou Kalb-Fields' Minstrels.

Nov. 28th, Fitz-Webber Company in "A Breezy Time."

Dec. 11th, Barlow's Famous Minstrels.

Dec. 18, 19 and 20, The Wills Musical Comedy Company. This company is one of the finest comedy musical aggregations on the road, and will only make three points in Florida—Jacksonville, Gainesville and Tampa. They play the most refined in musical comedy.

Dec. 23rd, Black Patti Troubadours.

Jan. 15th and 16th, Jules Foreman Musical Comedy Company.

Jan. 17th, Donally & Hatfield's Minstrels.

Feb. 16th, J. C. Lewis Company in "Si Plunkard."

This is the list so far as booked, but Manager Layton expects several more good attractions.

**Pirating Foley's Honey and Tar.**

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. McCollum & Co.

**A Heavy Train.**

The Sun contained a notice several weeks ago that probably the heaviest train ever brought into Gainesville was one which came over the Seaboard Early Bird, containing fifty-two cars; But this record has been beaten, as the Early Bird Monday was a "corker," being composed of seventy-two cars and caboose. When the engines were standing at the depot the end of the train stretched across Alachua avenue, East Gainesville, which is fully a mile from the station.

It required a "double header" to handle this train, as the cars were all loaded.

**"I Thank the Lord!"**

Cried Hannah Plant of Little Rock, Ark., "for the relief I got from Bucklen's Arnica Salve. It cured my fearful running sore, which nothing else would heal, and from which I had suffered for 5 years." It's the surest healer

**A NARROW ESCAPE.**

**W. E. Baker and Party Came Near Serious Injury at Bridge.**

W. E. Baker and a party of two ladies and two children came near meeting with a serious accident a day or two ago, when the carriage which they occupied was partially demolished and the the occupants thrown out at the Hogtown creek bridge, on the North Gainesville road.

On driving down the hill, just before approaching the bridge, the horses became frightened and made a bold dash. When the vehicle struck the bottom of the hill, just before crossing the bridge, a front wheel came in contact with a studding with such a concussion that the occupants of the carriage were thrown out. The tongue of the vehicle was disconnected and the horse released, which was probably the only thing that saved the party from injury.

Mr. Baker employed a negro to come to Gainesville and secure another rig, after which the party returned to the city with an experience which was, to say the least, exciting.

### PROMINENT PARTY HERE.

**Have Been on Fishing Trip, Stopping Day With Mr. Callison.**

A prominent party of Georgians arrived in the city Sunday from Homossassa, after a short fishing trip to that section. The party was comprised of Jas. M. Dixon, Hal Bacon, W. W. Osborne, L. M. Erskine, John S. Schley, John D. Caswell and George M. Gadsden of Savannah, and N. A. Callison of this city. They were traveling in a private car and were joined here by Mr. Callison, to whom was extended a special invitation.

After a couple of days' fishing sport in the vicinity of Homossassa and Crystal River, the party returned to Gainesville Sunday and were driven to Spring Park Farm, where they were entertained until yesterday, when they proceeded to Savannah.

Manager Callison invited several of his friends to Spring Park, and altogether the affair was one full of good cheer and fellowship.

**Sunday Morning Fire.**

A telephone alarm Sunday morning at 7 o'clock summoned the department to the home of J. D. Stringfellow, West Mechanic street, where a small blaze was extinguished with little damage. The origin of the fire is not known, since Mrs. Stringfellow has been absent from the city for some time, and no fire in the kitchen had been necessary.

**If the Baby is Cutting Teeth**

Be sure and use that old and well-tried remedy, Mrs. Winslow's Soothing Syrup, for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Twenty-five cents a bottle.

**Attention, K. of P.**

The regular weekly meeting of Mt. Vernon Lodge No. 20, Knights of Pythias, will be held at the Masonic Hall, over Dutton's bank, this evening at 8 o'clock. Work in rank of Knight. A full attendance desired. Visiting brothers will receive a cordial welcome.

**TO KILL THE DANDRUFF GERM.**

**Is the Only Possible Way of Having An Effective Cure.**

If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have thin brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause, and you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

# Keep Your Head Clear

*And your stomach free from Indigestion if you would be happy with your family and your fellow-man.*

The surest thing on earth to get a man's system "out of whack" is heavy, sour bread, which is caused by several reasons. First, the material may not be good, second, the cooking may be poor. The best flour in the world will make the heaviest, sour bread if improperly mixed or cooked. WE DON'T SELL BOOT POLISH and our "long suit" is knowing how to mix and bake it. Our bread does not sour and other food components, and in other instances is an aid to good digestion.

## HELP THE TEACHER.

At school the young girls and boys are under the control of the teacher. The teacher does not desire to have any favorites, and is as anxious to have one learn as another. The teacher has no favorites, but it would be perfectly natural for a teacher to be more kindly toward a scholar that never caused them any trouble than one who is always creating dissension.

If you want to make a young anarchist of your boy, just take sides with him on every question that comes between him and the teacher. When a boy is sure of the support of his parents in every quarrel he has in school, you can rest assured that he will not hesitate to get into trouble, no matter whether he is on the right or wrong side.

The boy who has his every whim indulged at home, goes to school with the expectation of the same treatment, and it is such boys that are often privileged to leave school and grow up in idleness and headed for the downward path that has room enough for the feet to tread to ruin. Let the teacher have full charge of their conduct and we will venture the assertion that few of them will go wrong.

It is best for the parents to try and let the teacher show the scholar what is the best for him, and it will lighten the burden of both teacher and parents and often save the boy.

---

The Gainesville Elevator is the name of a new weekly paper that made its appearance in this city last week, to be issued every Thursday. It is a six-column folio, with Dr. F. Prescott Bullock as editor, and is well filled with local and general news, is published by The Elevator Publishing Company, and announces in its salutatory that "no long felt want demands it, nor is it the organ of any political party or creed. No railroads, corporations or monopolies govern it." Robert Holly has charge of the mechanical department, and this is an assurance that his part of the work will be done well. The Sun extends the new-comer a cordial greeting.

Again we wish to impress upon our readers not to let their life insurance policies lapse or surrender them to other parties for any use whatsoever. Your policy is as good, and the investigation now being conducted will add to their value, instead of depreciating them.

## KEELEY INSTITUTE.

A Keeley Institute for the cure of the liquor, morphine and other drug habits, is to be opened in Jacksonville by a stock company composed of B. B. Tatum and J. H. Tatum of Miami, J. P. Matthews of Columbia, S. C., J. L. Wallace and H. G. Stone of Jacksonville. The most of these gentlemen are already known in Florida. Mr. Matthews is treasurer of the Palmetto Bank and Trust Company and owner of one-third of the stock of the Keeley Institute at Columbia, S. C.

There are hundreds of thousands of able men in the United States and Canada who can thank the Keeley remedies for their release from the curse of liquor and other drug habits and among the number are numerous ministers, lawyers, doctors and literary men. The Keeley Institutes in this country and Europe have saved many from the downward path, and while the man or woman who is a slave to liquor can be cured of the habit, they have got to have brains enough to let it alone when once free.

It is one of the greatest blessings to the human family ever discovered, and it is sure to do much good in any community The remedies are those used at the famous Keeley Institute at Dwight, Ill., compounded from the formula of Dr. Leslie Keeley, who devoted many years to the study of the liquor habits and its treatment. He was a physician of high standing and his remedies are not in the least injurious, but build up the system that has been shattered by alcoholic spirits and opiates.

## STATE FAIR NOTES.

Wednesday, Nov. 15, marks the opening of the great Florida State Fair at Tampa, and that it will be the most successful State Fair in the history of the South is now a foregone conclusion, both in point of attendance of homeseekers from other States and in quality and quantity of products exhibited. The opening will be brilliant, the exercises being conducted by Governor Broward and Hon. Leslie M. Shaw, the distinguished secretary of the treasury. The appearance of Ye Mystic Krew of Gasparilla, in the finest and most fantastic costumes ever brought to Florida, and a monster floral parade, will be among the attractive features of the opening.

---

No special day at the State Fair, to be held in Tampa, November 15 to 30, will be more memorable than Press Day, designated in honor of the newspaper men of Florida, who have done so much to make the Fair a grand success. A banquet to newspaper men and legislators will be among the features. The day has not been named yet, but all Florida editors and legislators will be notified of the date and extended a cordial invitation to attend.

---

The exposition building to be used during the coming State Fair at Tampa, November 15 to 30, are now complete and ready for use, and all counties participating are now arranging their booths in a most attractive manner. The buildings, all of which have been painted white, are the most attractive ever seen in the South. The Fair will be an immense success in every feature and every citizen should attend. The amusement attractions will be superior to any ever brought South. As an illustration, "Fighting the Flames," the greatest spectacular production ever seen at Coney Island, New York's famous amusement resort, has been secured at great cost, and will only be shown in Tampa. Cheap rates will be in effect from every point and ample accommodations for all visitors at low rates is guaranteed.

Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists. Price 75c per bottle.

A Serious Mistake.

It is a serious thing to neglect your heart.

The moment you detect any weakness or irregularity, such as short breath after exercise, palpitation, fluttering, weak or hungry spells, pain in breast, side or shoulder, or uneasiness when lying on left side, you should take Dr. Miles' Heart Cure; it rarely ever fails to relieve all these symptoms.

If not promptly restored, chronic heart disease soon develops, and then it only remains for some sudden strain to completely exhaust the heart.

Thousands of hopeless cases have been cured, and if you do not try it, it will be the greatest mistake of your life.

"When I began taking Dr. Miles' Remedies I was in a very bad condition. I had stomach trouble, with severe distress after eating. My heart hurt me, and I had shortness of breath, palpitation. My pulse was irregular, and my feet, ankles and hands were swollen. Every month at regular periods I had severe pain. I wrote Dr. Miles' Medical Co., and they advised me to take Dr. Miles' Restorative Nervine and Heart Cure. I soon noticed an improvement, and I continued the medicine until I was completely cured. I feel like a different person. In fact I have not felt so well for 20 years."

## Often The Kidneys Are Weakened by Over-Work.

**Unhealthy Kidneys Make Impure Blood.**

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

### Man's Unreasonableness

Is often as great as woman's. But Thos. S. Austin, manager of The Republican of Leavensworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters she was perfectly cured, and can now perform all her household duties." Guaranteed by all druggists. Price 50c.

### Campaign Literature Confiscated.

New York, Nov. 6.—Thousands of Tammany campaign postal cards issued in opposition to William Randolph Hearst, candidate for mayor, were confiscated today by order of Postmaster William R. Wilcox, of this city. The cards were a miniature of a campaign poster and banner which has been widely distributed by Tamany. It bore a transparent likeness of President McKinley above a red bomb the fuse of which was burning, while in the background was the fleeing figure of a man labeled "Hearst." It bore the inscription: "Lest we forget," and contained alleged extracts from one of Hearst's newspapers.

### No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. W. McCollum & Co.

### New Treaty with Germany.

Washington, Nov. 6.—Baron Speck von Sternburg, the German ambassador, called at the state department today and formally initiated negotiations for a new trade treaty between the United States and Germany, submitting the proposition of his own government. Secretary Root has taken the matter under consideration. The plan proposed, based upon original investigation by a joint commission of ten members from each side has already been outlined in an interview recently held with the German foreign minister Prince von Buelow, by an Associated Press correspondent.

### The Exact Thing Required for Constipation.

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without that terrible griping so common to most purgatives," say R. D. Webster & Co., Edom, Ontario, Canada. For sale by all druggists.

### PROTECTION FOR MISSIONARIES.

**Chinese Government Issues an Important Edict to This Effect.**

Hong Kong, Nov. 6.—As a result of the recent massacre of American missionaries at Lienchow an important edict has been issued directing the viceroy of Canton to furnish effecient protection to the missions to punish all the guilty parties and to promise the fullest redress and warning him that he will be held responsible for further outrages and for the protection of the missionaries.

The American consult, Julius G. Lay, in an interview declared that the dissemination of inflammatory boycott literature is indirectly responsible for the massacre and he has warned the isolated stations of Twokang of their danger that the anti-American feeling is growing stronger and advising the departure of the missionaries for their head station.

The Ianl-American newspapers are being distributed gratis, being taken in junks to Canton. The boycotters were the first to receive the names of the missionaries massacred.

Four Chinese gunboats and three hundred and twenty soldiers are proceeding to Chingyuan, 80 miles south of Lienchow, Oct. 26.

### NEGRO ASSASSINATES A FARMER

**While at Work in His Field is Shot from Ambush.**

Franklin, Ga., Nov. 6.—Max Wilson, a prominent farmer, was assassinated while in his field one mile west of this place by a negro named Dick Hardy.

Mr. Wilson was sitting down on a stump when the negro shot him in the back killing him instantly. The bullet passed entirely through Wilson's body.

Three children who were picking cotton saw the negro assassinate Wilson, and gave the alarm. The negro fled, but posses were quickly formed and are chasing the negro with bloodhounds. It is believed he cannot escape.

The murder was prompted by revenge. Three months ago Mr. Wilson killed Hardy's brother in self-defense. It is said that Hardy has repeatedly said that he intended to kill Wilson. The murdered man was unmarried.

### G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to anyone suffering from kidney or bladder trouble." # PAINFUL PERIODS

## Suggestions How to Find Relief from Such Suffering.

While no woman is entirely free from periodical suffering, it does not seem to be the plan of nature that women should suffer so severely. Menstruation is a severe strain on a woman's vitality. If it is painful or irregular something is wrong which should be set right or it will lead to a serious derangement of the whole female organism.

More than fifty thousand women have testified in grateful letters to Mrs. Pinkham that Lydia E. Pinkham's Vegetable Compound overcomes painful and irregular menstruation.

It provides a safe and sure way of escape from distressing and dangerous weaknesses and diseases.

The two following letters tell so convincingly what Lydia E. Pinkham's Vegetable Compound will do for women, they cannot fail to bring hope to thousands of sufferers.

Miss Nellie Holmes of 540 N. Davision Street, Buffalo, N. Y., writes:

Dear Mrs. Pinkham:—

"Your medicine is indeed an ideal medicine for women. I suffered misery for years with painful periods, headaches, and bearing-down pains. I consulted two different physicians but failed to get any relief. A friend from the East advised me to try Lydia E. Pinkham's Vegetable Compound. I did so, and no longer suffer as I did before. My periods are natural; every ache and pain is gone, and my general health is much improved. I advise all women who suffer to take Lydia E. Pinkham's Vegetable Compound."

Mrs Tillie Hart, of Larimore, N. D., writes:

Dear Mrs. Pinkham:—

"I might have have been spared many months of suffering and pain had I only known of the efficacy of Lydia E. Pinkham's Vegetable Compound sooner; for I have tried so many remedies without help.

"I dreaded the approach of my menstrual period every month, as it meant so much pain and suffering for me, but after I had used the Compound two months I became regular and natural and am now perfectly well and free from pain at my monthly periods. I am very grateful for what Lydia E. Pinkham's Vegetable Compound has done for me."

Such testimony should be accepted by all women as convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for all the distressing ills of women.

The success of Lydia E. Pinkham's Vegetable Compound rests upon the well-earned gratitude of American women.

When women are troubled with irregular, suppressed or painful menstruation, leucorrhœa, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating, (or flatulency), general debility, indigestion and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

**Don't hesitate to write to Mrs. Pinkham if there is anything about your sickness you do not understand. She will treat you with kindness and her advice is free. No woman ever regretted writing her and she has helped thousands. Address Lynn, Mass.**

## PRINCE LOUIS SPENDS BUSY DAY

While Visiting Our National Capital and Its Many Sights.

Washington, Nov. 6.—Today was another busy one for Admiral Prince Louis, of Battenburg, who is visiting the nation's capital with his personal staff and the captain of the ships of his command.

The program which occupied almost the entire day and everytaing having been prepred, was carried out unless the distinguished visitor desired to forego some of the events planned in his honor.

The crowning event of his visit will

PRINCE LOUIS OF BATTENBURG.

take place tonight when he will be entertained at dinner at the White House by President Roosevelt. This will be a notable affair, and will be attended by a large gathering. The day's program was inaugurated with a drive about the city and the outlying country, which rich in autumn foliage, is now seen to the best advantage. This took place in the forenoon. At 1 o'clock this afternoon the prince was entertained by the army of the United States at a luncheon at the New Willard hotel, at which Lieutenant General Chaffee was the host. Two hours later the prince, his suite and a large party of prominent persons are to visit Fort Meyer Va., where they witnessed a cavalry drill following which was a reception to the guests by Colonel Hatfield, commandant of Fort Meyer.

### Cunliffe to Get Six Years.

Pittsburg Nov. 6—It was announced by the district attorney's office that Edward G. Cunliffe, the express robber, would be sentenced on Saturday, Nov. 11. Cunliffe, who pleaded guilty to two charges of larceny, can be only sentenced to six years in the penitentiary, three years each on the two counts of larceny—one for $100,000 and one for $1,000. Much interest is being manifested regarding the report that Cunliffe may make a statement before sentence is passed.

### Constipation.

Health is absolutely impossible if constipation be present. Many serious cases of liver and kidney complaint have sprung from neglected constipation. Such a deplorable condition is unnecessary. There is a cure for it. Herbine will speedily remedy matters. C. A. Lindsay, P. M., Bronson, Fla., writes, Feb. 12, 1902: "Having used Herbine, I find it a fine medicine for constipation." 50c a bottle. Sold by W. M. Johnson.

## WAS RELATED TO SERVIA'S KING

Man Dies in New York Who Abandoned the Title of Prince.

New York, Nov. 6.—Plain John Merkewitz, known here for sixty years, a furrier, who died Thursday will be tomorrow buried under his long-abandoned title of Prince John of Belgrade. Merkewitz, was a first cousin of the present ruler of Servia, King Peter I, his mother being Princess Helena, of the house of Karageorgovitch, and his father, Count Stephen Nicholas.

When 15 years of age, the boy John quarreled with his father and came to this country where he learned that trade which he afterward followed. He wrote home that nobility was no longer a matter of concern to him in a free country, where all men were sovereigns. Since then he held no communication with his noble relatives until his cousin ascended the throne of Servia, when he sent his congratulations as a kinsman.

The old man's coffin bears a silver plate emblazoned with the royal arms of Servia and the inscription: "Prince John, of Belgrade, died Nov. 4, 1905."

### No Poison in Chamberlain's Cough Remedy.

From Napier (New Zealand) Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by all druggists.

### Secretary Wilson Invites Inquiry.

Washington, Nov. 6.—Secretary Wilson, of the department of agriculture, has suggested to the president that the committee on department methods, while looking into the office methods of his department, give especial consideration to the method of issuing the crop reports from that department. Secretary Wilson stated that the plan of issuing hese reports now used by his department is the result of much study, and he is unable to see how it can be improved, but that a commission from outside the department might be able to make some suggestions of value.

### Son Lost Mother.

"Consumption runs in our family, and through it I lost my mother," writes E. B. Reid of Harmony, Me. "For the past five years, however, on the slightest sign of a cough or cold, I have taken Dr. King's New Discovery for Consumption, which has saved me from serious lung trouble." His mother's death was a sad loss for Mr. Reid, but he learned that lung trouble must not be neglected, and how to cure it. Quickest relief and cure for coughs and colds. ### Broken In Her Hearth.

A volume from Germany, "The New Opera Glass," containing "the plots of the most popular operas," affords the following concerning Goetz's "The Taming of the Refractory: "Fourth act—Room in Petruchio's house. Petruchio bursting for anger about all things; nothing can satisfy him. Katharine is nearly broken in the hearth, but she loves him, and her refractory ist justly going away. Petruchio also loves her, and after some quarrels their hearths are finding together to a happy life."

### Slave of Custom.

On one day in the year the free and independent French citizen is a slave, the slave of custom. It is the day the shooting season opens. He may not care for sport; no matter, he must sally forth or lose caste irretrievably.—New York Herald.

### Luck or Good Management.

"I heard Crabbe say he had never had such luck in his business as he's having now, but I didn't understand whether it was good luck or bad."

"Oh, he meant bad luck, of course! If it were good luck he wouldn't speak of it as 'luck' at all."—Philadelphia Ledger.

### A Disastrous Calamity.

It is a disastrous calamity when you lose your health, because indigestion and constipation have zapped it away. Prompt relief can be had in Dr. King's New Life Pills. They build up your digestive organs and cure headache, dizziness, pain, constipation, etc. Guaranteed at all drug stores; 25c.

Mr. Breeden states that the cotton crop, which was very short, is about over in his section, and that growers are complaining of the price of cotton. The price has been lower this season than for two or three years, notwithstanding that the output was short, and several planters who were not under contract are holding their cotton.

Among the prominent visitors to this city are E. J. Clark of Atlanta and Chas. A. Wilson of Jacksonville, supervisor and director of agencies of the New York Life Insurance Company, respectively. This is the first visit of Mr. Clark to Gainesville, and he is well pleased with what he has seen of the city and its people so far. He is a Southern gentleman, with every qualification which goes to constitute hospitality, and has made many friends since his arrival here. Mr. Wilson, being a Floridian by adoption, is well known, and has visited Gainesville upon various occasions. His friends here are glad to welcome him again.
